

We are a local, Washington-based Health Plan with long-established ties to communities throughout the State and well-equipped to facilitate and coordinate with local resources on behalf of our members. As of 2018, we achieved NCQA's Multicultural Health Care distinction and are focused on reducing health disparities in Washington State.

As a not-for-profit company, we make decisions that are motivated by the best interests of our members, providers and communities within the State of Washington. We are governed by community organizations (Community Health Centers) that are in turn governed by individuals that receive care within those organizations.

The health of our members is our primary concern. Our programs are designed to proactively identify and address the behavioral, social, and medical needs of our members and to recognize the whole person's needs.

The vision of CHPW is to provide services and supports that impact the health and well-being of our member, both directly and through our valued partnerships with community-based providers. We meet this challenge by identifying and addressing needs that impact the health of our members, both within the clinical setting and beyond.

Green Hill School Medicaid Information

Upon your release from JRA, you will have Apple Health insurance coverage. This information is specific to the plan that you will be on. You will also leave with your **Immunization records, your medical discharge summary, medications and a prescription (if you were taking medications while here), and 2 condoms.** Below, you will find your ProviderOne number, and contact information if you have any questions.

CHPW Value Added Benefits

There are no co-pays or deductibles with any Apple Health (Medicaid) coverage.

Definitions

Health Insurance: is a type of insurance coverage that pays for medical and surgical expenses. Health insurance can pay you back for expenses, or they can pay the health care provider directly.

Health Care provider: The doctor or medical professional that provides services.

Deductible: The amount you owe for covered health care services before your health insurance or plan begins to pay.

Copayment: An amount you pay as your share of the cost for a medical service or item, like a doctor's visit. Often, you pay this when you arrive at your appointment.

Premium: The amount you pay for your health insurance or plan each month.

All Washington Apple Health managed care plans must cover these standard basics:

- * **Hospitalization** — A stay in the hospital, including inpatient surgery and recovery
- * **Emergency Services** — Visits to the emergency room, including ambulance services or treatment at an urgent care facility
- * **Ambulatory Services** — Doctor visits when you're sick or injured, or outpatient clinic visits
- * **Prescription drugs** — Medicine you doctor orders
- * **Laboratory services** — X-Rays, MRIs, blood tests, etc.
- * **Maternity and newborn care** — For women who need prenatal care or help with pregnancy, complications and delivery
- * **Pediatric services, including oral and vision care** — Dental check-ups, routine eye doctor visits, eyeglasses, immunizations, and more.
- * **Preventative and wellness services, including chronic disease management** — Screening tests for things like osteoporosis and mammograms, and help living with long-term illnesses like diabetes.
- * **Mental health and substance use disorder services, including behavioral health.**
- * **Rehabilitative services and devices** — Physical therapy, speech therapy, artificial limbs and other medical equipment.
- * **Habilitative services and devices*** — Helping people with disabilities learn life skills.

**Available for newly eligible Medicaid/Apple Health for adult clients only.*
