

## Mission Statement

Our mission is to provide quality health care to people receiving government assistance for their health care

### The Molina Community Innovation Fund

- \* Molina is committed to investing up to \$1 million annually, for 3 consecutive years to strength whole-person care in communities that have implemented IMC.
- \* Eligible nonprofit organizations should be aiming to:
  - \* Decrease barriers to care
  - \* Address social determinants of health
  - \* Grow integrated services at the community level
  - \* Have missions that align with Monlina’s mission and the grant-funding parameters

## Green Hill School Medicaid Information

There are no co-pays or deductibles with any Apple Health (Medicaid) coverage.

### Definitions

**Health Insurance:** is a type of insurance coverage that pays for medical and surgical expenses. Health insurance can pay you back for expenses, or they can pay the health care provider directly.

**Health Care provider:** The doctor or medical professional that provides services.

**Deductible:** The amount you owe for covered health care services before your health insurance or plan begins to pay.

**Copayment:** An amount you pay as your share of the cost for a medical service or item, like a doctor's visit. Often, you pay this when you arrive at your appointment.

**Premium:** The amount you pay for your health insurance or plan each month.

### All Washington Apple Health managed care plans must cover these standard basics:

- \* **Hospitalization** – A stay in the hospital, including inpatient surgery and recovery
- \* **Emergency Services** – Visits to the emergency room, including ambulance services or treatment at an urgent care facility
- \* **Ambulatory Services** – Doctor visits when you're sick or injured, or outpatient clinic visits
- \* **Prescription drugs** – Medicine you doctor orders
- \* **Laboratory services** – X-Rays, MRIs, blood tests, etc.
- \* **Maternity and newborn care** – For women who need prenatal care or help with pregnancy, complications and delivery
- \* **Pediatric services, including oral and vision care** – Dental check-ups, routine eye doctor visits, eyeglasses, immunizations, and more.
- \* **Preventative and wellness services, including chronic disease management** – Screening tests for things like osteoporosis and mammograms, and help living with long-term illnesses like diabetes.
- \* **Mental health and substance use disorder services, including behavioral health.**
- \* **Rehabilitative services and devices** – Physical therapy, speech therapy, artificial limbs and other medical equipment.
- \* **Habilitative services and devices\*** – Helping people with disabilities learn life skills.
